

CustomPC

<Performance>

- Skräddarsydda microATX datorer för krävande VR-spel, film, fotografi, musikbehandling, streaming och andra tunga applikationer.
- Industristandard plus senaste teknik för enkel service och uppgradering.
- Välkyllda, tystgående konfigurationer med låg energiförbrukning.
- Windows eller Linux färdigt installerat.
- Garanti = •Monitor 2 - 3 år.
•Komponenter 1 - 10 år.
- Gratis support.
